- No, this is not possible. The applicable contribution regulations stipulate that only full amounts can be refunded. You can view them here: <https://www.studentenwerk-magdeburg.de/studentenwerk/dokumente/>

## 10. How long does the processing take?

- In general, we ask for your patience, as the processing procedure may take several weeks.
- We endeavour to send an acknowledgement of receipt to all applicants. Due to a high volume of applications, this may not always be possible promptly.
- The processing procedure consists of the following steps:
  - The applications are processed and approved (or rejected) by Studentenwerk Magdeburg.
  - Once your application has been processed, you will receive an email either requesting additional documents or, if your application is already complete, informing you of the approval (or rejection with reasons).
  - Approved refund applications are collected until the application deadline has passed.
  - In case of exmatriculation (OVGU only), a list containing the names and student ID numbers of those whose refund requests have been approved will be submitted to Otto von Guericke University. The university will then process the refund of the (partial) tuition fee, and you will receive the money back.
  - In case of a leave of absence, a valid disability ID card, or a stay abroad and dual enrolment, a list containing the names and matriculation numbers of the approved refund applications is forwarded to the accounting department of Studentenwerk Magdeburg. The partial contribution is then refunded by them.

- Overall, you can expect the refund no later than the end of the semester for which the application was submitted.

## 11. What is the legal basis?

- The rules governing refunds are laid down in the **contribution regulations** (*Beitragsordnung*).
- You can download the contribution regulations (in German) here:  
<https://www.studentenwerk-magdeburg.de/studentenwerk/dokumente/>
- The contribution regulations are determined by the Administrative Board (*Verwaltungsrat*). The Administrative Board consists of representatives of Studentenwerk Magdeburg, Otto-von-Guericke-Universität, Hochschule Magdeburg-Stendal and Hochschule Harz. You can find the representatives here:  
<https://www.studentenwerk-magdeburg.de/studentenwerk/verwaltungsrat/>

## 12. What if I do not agree with the rejection of my application?

- You have the option to file an objection (*Widerspruch*). The objection must be submitted to us in writing (see section 2) and must be received by Studentenwerk Magdeburg within one month after receipt of the rejection notice.
  - *In writing* means: by post or by email as a PDF document bearing your signature.
