

Dormitory places – Application process

Our dormitories offer around 1,660 students a home for their time in Magdeburg and Wernigerode. The dormitories in Magdeburg are spread over three locations - main campus of the OVGU, medical campus and a dormitory at the Magdeburg-Stendal University of Applied Sciences. In Wernigerode, four dormitories are located directly on the campus of the Harz University of Applied Sciences. Another student dormitory is in the countryside of the district Charlottenlust. On our website you will find an overview of our houses and their locations as well as the sizes and prices of our rooms.

The places in our dormitories are very popular and therefore quickly allocated. We recommend that you apply online in good time and before the start of the semester - even if you do not have your admission or study certificate yet.

- **Send us your online application:** www.studentenwerk-magdeburg.de/en/accommodation/application-form/
- The **receipt of your application** will be confirmed by e-mail. However, you will not be informed automatically about the current status of your application.
- Please inform us immediately of **any changes to your e-mail address, postal address or telephone number**. This is the only way we can inform you when a place in the dormitory becomes available.
- **Your active assistance** is required: **Every 30 days we will send you a request by e-mail** in which you have to confirm your interest in a room in a dormitory **within 5 days**. Otherwise your application will be deactivated.
- By **regularly confirming the link**, your application will always be up-to-date. As soon as a room is available for you, you will receive a room offer by e-mail. It is not necessary for you to ask for a status update regarding your application. Applications for a place in a dormitory are on the waiting list for a maximum of 400 days.
- The actual allocation of a place in our dormitories begins about **6 weeks before your desired moving in date**. As soon as a room is available for you, you will receive an offer by e-mail.

Please note: **the application for a dormitory does not guarantee a place in the dormitory** as the demand exceeds our possibilities. Due to unforeseeable cancellations by our tenants, rooms can become available at short notice and during the current semester.

If you have any questions about the application process or the dormitories, you can send us an e-mail or give us a call:
