STUDENTENWERK MAGDEBURG

Invitation to Parent's Café in Magdeburg for students and doctoral students

Dear (doctoral) students with child(ren),

We know how important it is for you parents to have the opportunity to socialise with other (doctoral) students with children. That's why the Studentenwerk Magdeburg is offering again an opportunity for informal exchange in the form of a Parents' Café in winter semester 2025/26. We would like to **invite all (doctoral) students with children at Magdeburg Stendal University of Applied Sciences, Harz University of Applied Sciences and Otto von Guericke University Magdeburg to attend**. The Parents' Café offers (doctoral) students of all genders and cultures a valuable opportunity to share experiences, support each other and make new friends.

The content and dates will be agreed with you parents to ensure that they meet your needs and interests. A wide range of topics that concern you can be considered, be it tips for balancing studies and family, financial matters or simply to talk to each other about current issues within parenthood.

We are therefore delighted to invite you to the next Parents' Café:

Date:	**Wed., December 17th, 2025**
Time:	**4:30 – 6:00 pm**
Location:	**Interkultitreff (IKT) (Walther-Rathenau-Straße 19, 39106 Magdeburg, see below)**
Host:	**Jennifer Beder, Social Counsellor of the Studentenwerk Magdeburg**

We will use this meeting for free discussion and to talk about your current topics. As always, your children are also very welcome – there is a small play area on site which they can use under your supervision.

Registration is not necessary. There is a Whatsapp group for the Parents' Café, which you are welcome to join to take part in appointment surveys or to ask questions. Please let me know via WhatsApp (+49 163-2220663) if you would like to join this group.

Participation is also possible if you only speak a little German. We will take this into account in the Parents' Café.

Would you like to take part but can't because you're not on site or your lack of German makes you hesitate? Please let me know so that I can organise targeted activities for you if you need them.

I look forward to seeing you at the Parents' Café and spending an appreciative and enriching afternoon together!

Kind regards,

Jennifer Beder
Social Counselling of the Studentenwerk Magdeburg
